			English National 5		English Higher			
				English Intermediate 2				

26th March 2014

Dear Parent or Carer

S4/5/6 Easter School 31 March – 3 April

Please find below a copy of the finalised Easter School timetable.

Due to a lack of uptake the following workshops are no longer able to run.

- EEAC Tuesday 1st April
- Hospitality - Tuesday 1st April

Some workshops have been combined and/or moved in order to best accommodate pupil requests. As a result of this some pupils may need to swap their N5 English session on Tuesday 1st April to allow them to attend all their chosen workshops.

All workshops which will be running are detailed below.

If your child applied for one of these sessions they will have been allocated a space.

If your child is attending Easter School they are expected to adhere to the following protocol for pupils:

- All pupils must enter via the front door of the school
- All pupils must sign in and sign out of the Fire Register
- All pupils must maintain the excellent standards of behaviour that we have come to expect at Menzieshill High School
- All pupils must be respectful of the school building and are expected to make use of waste baskets etc.
- All pupils must vacate the building at 1.30p.m.

There will also be a notice board on display in the front foyer to remind pupils of the workshops that are running each day. The Library will also be available for pupils who wish to undertake quiet study.

Yours sincerely

Leona Chacko
Depute Head Teacher
