Your Ref

February 2009

Dear Parent / Carer,

This time of year marks a very important stage in the educational life of second year pupils as you and your child make decisions about the subjects your child will study over the next two years in school.

This booklet has been prepared so that you know what courses are being offered, what they involve and what choices are available.

Great Care will be taken in school to ensure that your son/daughter makes the correct choice. A special guidance programme concentrates on careers information and the choice of course form. As well as receiving this booklet and your child's report, you will receive information from subject teachers, indicating the appropriate level of study for your child, and subject teachers will explain to pupils the courses on offer in their department.

Your son/daughter will also have a personal interview with his/her guidance teacher to discuss the choice of course form and to look at the courses available. At the end of the interview, your child will be given a completed choice of course form showing the school's recommendations for study in Third and Fourth Year. The completed course choice form should be signed and returned to your child's guidance teacher no later than Tuesday 3rd March.

You are invited to attend an information meeting for parents which will be held in the Assembly Hall at 4.00 p.m. on Monday 2nd March, immediately prior to the parent contact evening which begins at 4.30 p.m. The parent contact evening will give you the opportunity to discuss the Third and Fourth Year course with your child's guidance and class teachers.

I hope you will consider carefully the information in this booklet. It is our intention to give you as much information as you require making the best choice of course for the next two sessions. If you have any queries, please do not hesitate to contact me, at school.

Yours sincerely

George Laidlaw
Head Teacher
